Inhouse Counsel Day

Today's legal departments face a myriad of new challenges. The Inhouse Counsel Day addresses pertinent legal topics presented by renowned experts, relevant to legal practitioners working in an international setting. The conference aims to provide the paramount platform for the exchange of expertise and best practices across various legal domains crucial for businesses.

Exploring Crisis Communication from a legal perspective, with insights and discussions led by leading minds on effective strategies. Analyzing the impact of cyber risks on legal departments, examining specific risk scenarios, and discussing strategies to bolster cybersecurity posture. Addressing Sustainability Reporting and Transition Plans, offering insights from the first reporting season in Switzerland, along with an outlook on the upcoming EU regulation's impact on Swiss companies. Analyzing Geopolitical Developments and their impact on legal departments including a discussion of strategies for mitigating potential legal exposures for multinational corporations operating in volatile regions.
